Subject: *Value Drugs* -
(ID# 3313 00 00)

Mr. Peter Pastorelli, President maintains that no Self-Service Counter Displays are allowed in his stores and, at this time, does not wish to participate in our NSS Base Contract Program.

He has requested his individual Store Managers be contacted relevant to VAP Promotions, and he is leaving decisions concerning these promotions up to store management.

Please ensure the stores are contacted and presented the Value Added Programs.
